PROGRAM DETAILS

CROSSVALUE™ PROGRAM

When budgets shrink but expectations soar, the CrossValue™ program rises to the challenge. This expertly curated collection of porcelain and luxury vinyl tile delivers our most sought-after looks in the exact sizes and finishes that move projects forward—all at price points that respect your bottom line.

Accessible

Get the quality you want at prices that work. CrossValue keeps popular porcelain and LVT styles in stock, ships fast, and comes from the same American factories as our premium lines. Deep inventory means no delays. Fast shipping means no excuses.

Reliable

Built to handle real life. CrossValue tiles resist scratches, stains, and water damage while staying safe for families with allergies. Plus, they're Green Squared® certified and made with sustainable practices

Made in the U.S.A.

American-made quality means no compromises. CrossValue transforms the impossible into the inevitable: trusted Crossville performance delivered exactly when you need it.

For nearly four decades, Crossville has been a trusted source for first-class tile products. Contractors, designers and retailers love our variety of unique textures, looks, colors, and installation possibilities, all backed by matchless customer service, and technical support.
