Features and Benefits

- This porcelain tile line evokes the grandiose history of Belgium, where its stone inspiration is found decidedly contemporary in color and sizing.
- The five hues range from light to dark and are available in two finishes: unpolished, which features Crossville's unique FeatherSoft Finish for an extraordinarily touchable surface, and a bush-hammered style exterior finish designed for grand scale and high fashion in outdoor spaces.
- Sizes range from traditional 12"x24" to an expansive 24"x48"
- Square and brick mosaics are available and 4"x 24" bullnose or 6"x 12" cove base
- Made in the USA and Green Squaresm Certified

Recommended Use

Beljn UPS is recommended for interior floors dry, interior walls, countertops, exterior walls, pool waterlines and full linings† in both residential and commercial applications. Beljn UPS is not recommended for exterior horizontal surfaces or exterior paving. Beljn EXT is recommended for interior floors wet or dry, exterior floors, interior and exterior walls, pool waterlines and full linings in both residential and commercial applications. See CrossvilleInc.com for detailed installation instructions. † Excludes mesh mounted mosaics.

Wet area use for Mosaics

Crossville® produces the Beljn 2 x 2 and 2 x 6 Brick mosaics with the Cross-Sheen (UPS) finish. The ANSI A326.3 wet Dynamic COF of Beljn is ≥0.42. Their small sizes ensure frequent grout joints which provides traction and drainage. Crossville cannot control situations involving incorrect installation, improper slope to the drain for elimination of standing water and poor surface cleaning. This information is provided so that customers may make a realistic and informed decision when comparing Beljn to other tile products in wet area environments, such as residential/commercial bathrooms, showers, and interior pool decks.

Our Warranty

Crossville Inc. guarantees that its products will meet or exceed the performance specifications outlined in ANSI A137.1 and in the performance data section of the Crossville, Inc. general product catalog. For complete details check our website at CrossvilleInc.com.

Care and Maintenance

Regular cleaning is the best way to keep Beljn tile looking good for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth. No waxes are needed. More information regarding the care and maintenance of Crossville® products is available at CrossvilleInc.com.
