Product Performance

Breaking Strength	>500 lbf	ASTM C648
Bond Strength	>200 psi	ASTM C482
Chemical Resistance	Unaffected	ASTM C650
Frost Resistance	Resistant	ASTM C1026
Water Absorption	<0.20%	ASTM C373
Scratch Hardness	7	Mohs Scale

Shade & Texture Index

Altered State has a shade variation of V3.

V1	V2	V3	V4	V1 Uniform Appearance
				V2 Slight Variation
				V3 Moderate Variation
				V4 Substantial Variation

This porcelain tile product is produced with a V3 variation. Expect that the amount of color and texture on each piece may vary significantly. Inspect the product upon delivery and for best results, blend tile from several cartons during installation.

Environmentally Conscious

Altered State contains a minimum of 4% pre-consumer recycled content and is manufactured by Crossville® using processes that have been certified by Scientific Certification Systems. SCS has verified that through these recycling processes Crossville recycles nearly 12 million pounds of previously discarded filtrate and fired tile waste. In addition to its own fired waste recycling, Crossville also accepts and recycles reclaimed, previously installed tile through its Tile Take-Back™ Program. For more information, visit CrossvilleInc.com/green.

Care and Maintenance

Regular cleaning is the best way to keep Altered State tile looking good for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth. No waxes are needed. More information regarding the care and maintenance of Crossville® products is available at CrossvilleInc.com.

Recommended Use

Altered State is recommended for interior floors, walls, countertops, and exterior walls in both residential and commercial applications. Altered State is not recommended for exterior horizontal surfaces or exterior paving. If offset pattern is required for tiles 18 inches or longer, Crossville® recommends an offset of not greater than 33%. See CrossvilleInc.com for detailed installation instructions.

Hydrotect

Our porcelain tiles are available with Hydrotect. Crossville's revolutionary invisible coating harnesses the power of light, water, and oxygen to create the best defense against dirt and pollution. Whether indoors or out, floors and walls stay cleaner, providing a superior experience in any space. For complete details check our website at CrossvilleInc.com.

Altered State

Porcelain Stone®

The Alchemy of Design.

Artfully mimicking the beauty of oxidized and aged steel, copper, iron, zinc, and chromium, Crossville presents our newest porcelain tile in a metallurgic look - Altered State. Just as metal artisans forge materials into uncommon compositions to provide strength and structure as well as to decorate and delight, Altered State melds strength and style beautifully in the hands of design professionals. Achieve the look of priceless materials enriched by the passage of time, in precisely crafted, porcelain tile. Just as air and water age metal, Altered State's graphics evoke both processes with highly detailed visuals and glazes.

- 6 x 24, 12 x 24, 24 x 24, and 2 x 12 sheet mounted mosaics add to design versatility
- All sizes are rectified and modular with a minimum of 3mm grout joint
- Available in 5 metal inspired colors
- Cross-Sheen® finish for easy cleaning

Just as form blends flawlessly into function, Crossville's Altered State porcelain tile line brings together old-world essence with a new aura locked in a timeless material. Find your inspiration in 5 looks that will never tarnish your expertly designed environment.
